

Deep cleaning service

For the next few months the Coronavirus (COVID-19) is going to be a way of life. If you find yourself in the unfortunate position of needing a disinfection service then we are here to help.

How we can help

As 'Community Clean' we have over 20 years' experience of delivering specialist disinfection services, you can trust us to get the job done. We'll work around any personnel you have on site to minimise disruption and down time.

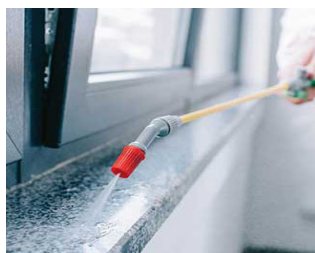

Our sanitation and disinfectant service is available for all internal spaces such as office blocks, schools, gyms and any sort of communal areas. As well as outside spaces such as vehicles, equipment etc. Anywhere that might be contaminated.

Let us support you through these difficult times.

Our services include:

- Fully trained and accredited personnel
- Out of hours service
- ULV Fogging and manual decontamination
- Full certification upon completion
